Households in Asia Pacific

April 2023

Table of Contents

INTRODUCTION

Scope

Key findings

REGIONAL HOUSEHOLD PROFILES

Six out of 10 Asian Pacific households will be urban by 2040

Rising incomes translates into larger dwelling types

Governments provide support for homeowners and renters

Urbanisation boosts growth for apartments as dwelling types

Durables possession rates remain comparatively low in Asia Pacific

REGIONAL HOUSEHOLDS INHABITANT PROFILES

Single-person households continue to stand tall

Demographic shift due to fewer births and an ageing population

Unless addressed, ageing populations threaten economic growth

Online learning is a major boost for further education of household heads

Vietnam: Household head status and households by type

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/households-in-asia-pacific/report.
