Full-service Restaurants in The Middle East and Africa

March 2023

INTRODUCTION

Scope

Key findings

REGIONAL OVERVIEW

Decline in full-service restaurants across the Middle East and Africa

Full-service restaurants are recovering by 2025

UAE is the first market to fully recover after pandemic

The region relies on Middle Eastern cuisine and develops strong interest in pizza

Middle Eastern full-service restaurants witnesses highest absolute decline

UAE is the only country with positive absolute value growth

Standalone restaurants in the Middle East were a core location to rely on during pandemic

Retail restaurants benefit from modernisation and urban investments

LEADING COMPANIES AND BRANDS

FSR is widely fragmented within the Middle East and Africa

Spur Corp continues to lead FSR

Two big markets, UAE and Saudi Arabia, are main sources of sales for the largest companies

Keeping outlets and following new trends helped big brands to sustain their ranking

FORECAST PROJECTIONS

Saudi Arabia and UAE will contribute 80% of sales growth by attracting tourists and expats

Small markets will sustain growth through expanding populations and developing e-commerce

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer

trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/full-service-restaurants-in-the-middle-east-and-africa/report.
