France: Consumer Profile

September 2026

Table of Contents

INTRODUCTION

Scope

Key findings

Key drivers affecting consumers in France in 2025

How developments today shape consumers of tomorrow

POPULATION AND SOCIETY

Today 2025: Population growth slows as birth rate drops

Median age rising due to falling birth rates and increasing life expectancy

Health risk factors on the rise in France

Tomorrow 2040: Median age set to rise as life expectancy increases

Millennials and Gen Z set to be key drivers of market trends

Urbanisation will present new business challenges and opportunities

Opportunities for growth

Case study: The end of France's demographic exception

HOUSEHOLDS AND HOMES

Today 2025: Demographic shifts fuel a rapid rise in single-person households

France ages slowly and lives alone, so households grow faster than the population

French consumers still prefer the comfort of a larger home

Tomorrow 2040: More households but fewer occupants as birth rates fall

Women set to take on a growing role as household heads

French households becoming more connected

Opportunities for growth

Case study: A nation of ever smaller households

INCOME AND EXPENDITURE

Today 2025: Disposable income stagnates as the cost of living rises

Despite low inflation most consumers remain concerned about the cost of living

Gen Z show the strongest will to splash out on apparel and footwear

Tomorrow 2040: Urbanisation fuels modest growth in disposable income

Wealth set to accumulate in the 50+ age group

Paris will remain the largest and most expensive consumer market

Opportunities for growth

Case study: France remains under the cloud of a cost-of-living crisis

LIFESTYLES

Key findings consumer survey

Gen Z willing to pay more for quality and taste

Cost of living pressures push consumers towards value options

Opportunities for growth

LIFESTYLES

Case study: Vinted draws in the crowds as French consumers embrace reselling

CONCLUSION

Key takeaways

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
